Hello, neighbors:

I wanted to let you know of an update pertaining to CF 18-0352, Councilmember O'Farrell's motion to study the possibility of a temporary bridge housing facility at 1533 Schrader Blvd.

<https://cityclerk.lacity.org/lacityclerkconnect/index.cfm?fa=ccfi.viewrecord&cfnumber=18-0352>

The motion will be before the City Council tomorrow. To be clear, **this does NOT mean the Council is voting on whether or not to approve a project at this site.**

Tomorrow's item only pertains to **the instruction of whether or not a feasibility study should be completed.** A study would obviously need to be completed before there can be any vote to approve a proposed project.

There will **NOT** be public comment on this item because the public comment piece was **already satisfied** when the item went before Homelessness & Poverty Committee last month.

Please let me know if you have any questions regarding this matter.

Best Regards,

Dan Halden
